STAT

SUBJECT:

Constituent Inquiry

1. On 9 August, the undersigned, responding to a call from Representative Jack Edwards' (R., AL) staff, stopped by the Congressman's Rayburn House Office Building to speak with Robin Deck, the Congressman's "Defense Assistant." Ms. Deck passed the attached paper to me explaining that she had received a call from [redacted] who--on behalf of [redacted]--was requesting contact with DOD and CIA officials. According to Ms. Deck, Messrs. [redacted] have a small (five employees) investigative firm which specializes in industrial matters. Ms. Deck passed the inquiry on to DOD (Lt. Col. David Dent, telephone 695-9492) and--as directed by the Congressman--was touching base with CIA. My guess is that [redacted] may be looking for business, but I have no way of knowing this. Please note the second sentence in the attached: "Needs to talk with someone in these agencies regarding a national security matter." At any rate, I am passing this along to you [redacted] for whatever follow-up may be appropriate.
